

Job Opportunity
Town of Marion
IT/Engineering

The Town of Marion is accepting applications for Engineering/IT Program Support Technician. The position's primary responsibilities include data networking construction and maintenance, zoning administration, property inspections, construction management, and grant writing but may include other duties as assigned.

This full-time position reports directly to the IT Director. Strong verbal and written communication skills are a must. Candidate must have a proven record of past superior performance. Employment is contingent upon successful completion of a criminal background check and drug test. Benefits include medical and dental coverage, holidays, earned vacation and sick leave and participation in the Virginia Retirement Benefit Program.

This position will remain open until filled. We will begin reviewing applications on Friday, April 1, 2022. Individuals interested in this position should complete a Town of Marion application, and/or submit a resume online at marionva.org or at
